From the Desk of Director

Foundation for betterment of Humankind over the last 3 year has established itself as an organisation committed towards welfare and empowerment of children, youth and women.

The organisation has worked with the multiple stake holders, government bodies, media, print sectors and state NGOs.

The FFBH laid special emphasis on women empowerment health and hygiene among adolescent girls and community through awareness programmes.

Besides women related area other focus area is child education. Distribution of Books and organising different competitive activities for providing them platforms for over all development.

Celebration of special day is also our important activities. Because children Human must know the importance of Days, their rights, responsibilities.

Our heartfelt gratitude goes to each one of you for supporting to fulfil our activities. The help in form of kind and cash helped the migrants, needy poor and women and their family to get proper care, health hygiene and nutrition.

We are trying to do everything we can to ensure that India's most vulnerable grasps. Children, women and youth.

Ch. 1

Child Empowerment

We all know that the children find the courage to weave big dreams. They think that the Sky is the limit, but due to certain limitations they have to face many odd and break barrier which break them, their potential and the country towards down.

In our country rural children don't get much opportunities to enhance their skill.

The organization understand that the children are the backbone of the country, so it did activities during the period are as such :

- Distribution of story books /copy/ painting sheets /colors/ toys among the children of Khatanga block, Ranchi district.
- Awarded children and their parents on their rights. Migration and Trafficking of children is big issue in the Jharkhand. The organization organised a camp on _____ and discussed about the importance of education and motivate parents to send children to the school.
- **Competition among children of Dhurwa school – 1st October** : Foundation for Betterment of Human Kind and Maaiya Social change Front, Social organisation with support of Paras Hospital organized a competition on painting, Essay writing, Speech deliver on 1st Oct., 2021 on occasion of Gandhi Jayanti at Rajyakrit Middle School, Old S.T. Health Camps

During the period we organised free health camps in rural and slum area of Jharkhand. It includes through fair check up by a doctor, distribution of free medicines along with specialist test namely B.P., Blood Sugar and haemoglobin (Hb) monitoring. These timely interventions provide early diagnostic and treatment.

Health, Hygiene's, open school system and skill up gradation were discussed with them. Mrs. Ragini Singh Asst. Director IANAV was chief guest in the programme.

FFBH Responses to COVID- 19 Epidemics.

While the entire world was in lockdown FFBH worked with migrant labour, single women and construction labour we distributed food, masks, sanitary napkins and Dried ration to them. We are providing and coordinating to source ration for families in local geographical area.

With support of postal department govt. of India also Sukha ration, oil, Safety kit was distributed among the people.

Safety kit distribution

To help community members and garbage collectors, FFBH has distributed safety kits consisting of Reusable masks, Hand Sanitizers and soaps into different phase.

Children's Day

On 14th Nov the FFBH celebrated children's Day because we believe in securing their dreams and aspirants, letting them achieve whatever their heart desires. During the session children got aware about child marriage, child abuse and what is good touch and bad touch we also had discussion on important of education in achieving their dreams.

Human Right Day on 10th December

We celebrated this day at chiraundi basti with 40 women's and adolescent girls its aim behind celebrating this day is to improve the physical, social, cultural and spiritual wellbeing and welfare of vulnerable groups of people. On this day we had discussion on human rights, so women can know about their rights. Many of the women were not aware about it. We also had detailed discussion regarding rape as most common crime against women in India. How can we make our girls fight against rape, what decisions should be taken for the victim.

Women's Day celebration

Women's day celebration at Ranchi on 8th march. Approx 200 women's from different areas, SHGs Groups, Communities participated. Programme was organized with support of Jan Shikshan Sansthan Ranchi, in its Campus.
